HAWTHORN

MicDrop

GOTHAM CITY SWAGGER. HAWTHORN COOL.

This ain't your Aunt Edna's Hawthorn. MicDrop Hawthorn brings Gotham City swagger to Melbourne's leafy inner east. Exposed brick and industrial-chic accents provide the perfect backdrop for events that will linger longer in people's memories.

Along with all the cutting-edge event-tech you'd expect from a space this fly, the 145sqm room includes dimmable lighting and blazing fast wifi, as well as breakout boardroom and meeting rooms for when you just can't contain all your good ideas in one space.

And to keep your team fuelled, catering partner Timber + Greens is on hand to curate and serve healthy, wholesome, delicious food sourced from local and (where possible) certified organic producers. Their coffee is out of this world too.

Ideal for workshops, team meetings, brainstorms and briefings, presentations and product launches. Not suitable for sheep shearing, drumming circles or anything boring.
